

XDP Drive UPGRADE Program

SAVE 40%

For a limited time, current registered owners of any Volvo Penta XDP sterndrive have an opportunity to upgrade their existing vessels with either the new OceanX drive and transom shield for the latest in corrosion protection or our standard DPS-B drive and transom shield. The new drive and transom shield package will carry a 1 year warranty from Volvo Penta..

SPECIAL CUSTOMER PRICE

DPS-B OXI OCEAN SERIES

\$10,995
per driveline

DPS-B Package

\$9,995
per driveline

Depending on your model engine and drive, the upgrade package includes: new drive, new transom shield kit, conversion kit (which includes trim adaptors and miscellaneous hardware for Early model products), new Y-Pipe and hardware (depending on riser height and model year), cooling water hose, and new propeller hubs to re-hub your existing "D" series (aluminum) or "F" series (stainless steel) props.
